

## R SERIES

### THE BEST BUOYS in the market!

R Series Buoys are heavy-duty buoys in which the rib-reinforced rock solid rope hold is made in such a way, to provide extra strength and durability.

- Can be used as a marking gear for ocean, sea, river, lake, beaches, cable installation and swimming.
- Widely popular among commercial fishermen in longline fishing for their durability and also among recreational boats.
- One-piece made (no parts are attached together to form the finalised buoy) with consistent wall thickness.

Rock solid ropehold with reinforced material

Simple valve for convenient inflation

Seamless construction

UV resistant

Most ribs than any other buoy in the market

Unique glossy finish

**Inflation pressure:** 2.1lbs/0,15bar at 68°F/20°C

**Material:** Plastisol PVC

**Production Process:** Single rotational moulding process
